

PROJECT DATA

Project: Energex Building
Project Location: Breakfast Creek Rd,
Brisbane
Project Description: 6 Star Green Star
Building

Client: Energex
Architect: BVN Architecture
Blind Manufacturer: Verosol Australia
Supplier: KWA Blinds

Product Type: 1600 x Ambience chain
operated roller blind.

General Information

EcoBalance was selected because of its
black colour on both sides.

Main Selection criteria

Glare reduction and consistent
appearance from floor to floor.

Problem definition

Large Office fit out over multiple floors,
entire new building to be occupied by
one tenant. Fabric had to be the same
throughout.

Solution

Ambience chain operated with
EcoBalance fabric colour Onyx.
