**Country:** The Netherlands

**Market Segment:** Education

**Client:** Hogeschool Inholland

**Architect:** Rietveld Architects New York

**Blind manufacturer:** Verosol Nederland B.V.

**Supplier/Installer:** Eliens

### Product Type

641 Pleated blinds (P70.4) motorised with profile guiding

### Fabric Type

Originals 816 and 878, in colour 936

### Problem definition

Light and heat control.

They also needed the option to darken the class rooms if necessary.

### Solution

Motorised pleated blinds with Originals 816 and 878.

Two motorised pleated blinds are placed behind each other. Each blind can be operated separately.
