

## HSBC Bank

### Project Data

**Project:** Tecnoparque HSBC

**City:** Mexico City

**Country:** Mexico

**Market Segment:** Office

**Client:** HSBC / Jones Lang LaSalle

**Architect:** Trazo Arquitectos

**Blind manufacturer:** Verosol Mexico

**Supplier/Installer:** Verosol Mexico

### Product Type

Roller blinds

### Fabric Type

Originals 812, colour 000

### Brief Description

The goal of HSBC was to use environmental friendly products.

### Main selection criteria

Environmental friendly products, VOC and PVC free, with an excellent view through.

### Problem definition

Very large fenestrations. The specifications were mostly focussed on the fabric weight of the blinds, the aluminium profile performance and the environmental matters.

### Solution

Verosol roller blinds with Originals 812, colour 000.
